Crafting Unique Tee Markers

Allow us to assist in developing markers that highlight your club's brand. Choose from a wide variety of finishes, background colours and textures.

Tee Markers can easily be coordinated with other signs around the course such as tee and fairway yardage markers and directional signs.

Greet Your Visitors and Guide Them with Style

Legacy Foundry and Sign Craftsmanship Since 1909.

With a heritage spanning over a century, we proudly operate as a family-run business, renowned for our exclusive expertise in casting bronze, aluminum, and brass.

Utilizing sand casting, a method rooted in sustainability and utilizing recycled materials, we sculpt metal with precision and care.

At our modern 3D design department, equipped with state-of-the-art technology, we stand ready to collaborate on crafting your distinctive signs.

Welcome to a tradition of excellence and innovation!
